Comments: I am opposed to the expansion proposed on Holland Lake. My entire family has been going to Holland lake for over 4 generations and 50-60 years. The project itself WOULD DESTROY...NOT preserve Holland Lake. The lodge is NOT central to Holland Lake the peace, quiet and natural beauty is CENTRAL and is what needs preserving. Is the issue with sewage water leaking into the lake like other lakes be the future for Holland? The LACK of development is the beauty of holland. The lake is not large enough to accommodate a massive expansion without destroying the character of the lake.

NO to developments NO to expansions NO to destroying Holland Lake NO.
