First name: Maggie

Last name: Plummer

Organization:

Title:

Comments: I wholeheartedly agree with Jean Curtiss:

Please DENY the special permit for the operation of Holland Lake Lodge.

Please let the U. S. Forest Service operate this property for the public, as another camping loop of the Holland Lake Campground and perhaps as rustic, truly affordable cabin and/or lodge rentals.

Please save our beloved, serene, fragile Holland Lake.

Sincerely,

Maggie Plummer
