Comments: I am opposed to the expansion of the lodge at Holland Lake by the Powdr Corp.

This expansion will greatly affect wildlife in the area and will also restrict access to locals because of the higher expense of making a visit there. Why do we have to turn every lovely scenic experience into a giant expensive money making venture that will ultimately trash what we have had access to for decades. My wife and I were married there in 1983 and have the fondest memories of a fragile Montana treasure. Please listen to the concerned Montanans who do not want this to go forward.
