Comments: I do not agree with the proposed expansion of Holland Lake Lodge. Holland Lake is a pristine beauty in a fragile environment that must be protected from over development. The large proposed development by wealthy out of state developers will be the beginning of the end of what makes Holland Lake special. If we let this development go through, it will just be the beginning for these developers. They will want more and their guests will want more and the next thing you know the whole Swan Valley will turn into a Park City Circus. Do not let these invasive out of state invaders take hold of Montana's Gem - Holland Lake. Please Do Not Approve This!
