Comments: Dear Forest Service,

Holland Lake has been a special place for myself and my family for many years. I always think of Holland Lake as an oasis of peaceful recreation, compared to other local lakes like Seeley Lake and Flathead Lake. If the proposed expansion/resort is built, the quality of this wonderful place will change forever, much to our detriment. Likewise, I believe the local environment will be negatively impacted as well, given the increase in potential visitors it would generate. Specifically, I think the reasonable approach might be to modestly upgrade Holland Lake Lodge and cabins, without any expansion. I believe this is the only right thing to do, other than perhaps to leave it alone altogether.

Sincerely,

Lee Travis
