Comments: To whom it may concern;

I wish to go on record in opposition to approving the Powdr Corporation's plans to expand the Holland Lake Lodge area. As someone who has lived in Montana for 47 years some of my favorite outdoor experiences have been in the Swan/Seely areas, more specifically the Holland Lake area. And what has made those experiences so special is the quiet and unobtrusive nature of the historic lodge, cabins, and other structures that make up the area. An expansion as proposed by the POWDR would severely impact the positive outdoor experience qualities that Holland Lake has provided to both locals and visitors over the many years of its existence. I ask that you deny approval of this project.

Thank you.

Sincerely,

John Miller
