

Data Submitted (UTC 11): 10/7/2022 10:58:06 PM

First name: Grizzly

Last name: Bear

Organization:

Title:

Comments: There's nothing more 'Soulfull" than sacrificing personal gain for the greater good. It builds humility and character. These are Montana values. These are Swan Valley values. These are the values of every individual who is taking a stand for the wildlife that doesn't have a say in the matter. Someone asked what happened to the 'E' in POWDR. Maybe it stood for ethics. Apparently that's been dropped from the equation.
