Last name: Gianoli

Organization:

Title:

Comments: Montana property owner since 1999. Listened to review of meeting and usfs representative. Familiar with Seeley lake nature conservancy purchase north of Seeley. The size of this project is going to influence the growth. Is there any chance state or feds can step in to buyer position. I respect owner's position. No outcome here is gonna be a happy one. It is a moment of less is more. Thank you.

Chris
