First name: Bernadette

Last name: Sweeney

Organization:

Title:

Comments: I am writing to object to this development. Holland Lake is a small and precious place that cannot absorb such a large scale project. The lodge at its current scale is about as much as the lake and its surrounding landscape and wildlife can accommodate. This is part of our children's heritage, and the heritage of all the children that will come after us. They are entitled to live alongside nature in this beautiful place, and it is our duty to protect it.
