Comments: To Whom It May Concern,

My family and I have spent countless summer days and nights at Holland Lake, mainly in the campground with a few happy stays at the Lodge. I would love to be able to keep going to the Lodge! I really love the vision POWDR has for renovating and adding to the Holland Lake Lodge, and I also appreciate that it will be reasonably priced. I am in full support of their proposal and encourage the Forest Service to say YES! I like POWDR's dedication to, and awareness of, the local environment. These feel like good folks who want the best for Holland Lake Lodge and want the best for Holland Lake. Let's get another 100 years from this incredible place!
