Comments: I have been a frequent visitor of Holland Lake since I was a baby. I have grown up on and around this lake and the Holland Lake Lodge. It is a staple of the surrounding area and I would be extremely disappointed if it was to change in any way. I can't imagine such a pristine, peaceful and almost untouched by modern amenities being changed into a gaudy tourist attraction that would ruin the incredible ambiance that Holland Lake embodies. I strongly oppose this expansion and strongly feel that this project should not continue on its current trajectory. Thank you for allowing me to express my concerns and comments.
