Comments: I would like to express my opposition to the expansion of the Holland Lake Lodge. As a native Montanan and someone who has enjoyed Holland Lake since 1971, I feel that an expansion such as the one proposed, will be a detriment to the pristine environment that is Holland Lake. This lake should not turn into another episode of the life styles of the rich and famous accessable to only those with a lot of money. This is Montana....it should be accessable to anyone who wants to enjoy it. It should be a place for families to enjoy the outdoors and make memories as mine has done for many years! To me, this is no different than Montana's public access president that ensures everyone has the right to enjoy.....Montana! Wealthy and everyone else.
