Comments: This expansion should not be allowed. The company who wants to do this is only wanting to get their foot in the door and then expand from there. USFS needs to stop this before it ends up like Big Sky. Ski runs, hotels, traffic and expensive housing. Park City, UT is another classic example of what these companies want to build. Put money in their pockets is all they are interested.

Leave Holland Lake Lodge and the rest of the area alone---this is MONTANA, one Big Sky and Whitefish is enough!

Thank you.
