Comments: To whom it may concern,

I would like to comment on the proposed Junction Creek Riparian Corridor and Trail, Logchutes, and Falls Creek/Hidden Valley JFIRM Project.

Please allow for the specific Log Chutes downhill mountain bike trails both to rehab on-the-ground trails and to build 3 to 4 new trails utilizing 400 feet of center line of some of the proposed downhill trails. Machine built downhill specific trails would be a great asset to our community.

Please allow for a connector from CR 203, Falls Creek up to Junction Creek Road to the Colorado Trail as proposed by Durango Trails. This is an on-the-ground old alignment that would create great connectivity for mountain bikers and hikers, as well as a fire line access. A connector trail from Durango Estates to Log Chutes would be a great addition.

Thanks for your time and all your efforts,

Clark
