Comments: Ms. Blanchard,

The Idaho Cattle Association is the voice of Idaho's Cattle Industry within our state. We serve members from all aspects of our industry and across the entire state of Idaho, and work to preserve, promote, and protect Idaho's Cattle Industry.

I have looked at most of the documents and was looking to see if there are any grazing permits with in the impact area of this proposed trail as it passes through Idaho. Where or how can I access that information?
