Comments: I feel I stand with many others in the community. I would like to see this happen. If Durango can push for more mountain bike tourism and showcase trails like what is proposed, I'm for it. Junction Creek road is not appreciated enough and I think that lies partially in the fact that it's not overly enjoyable to recreate on in the winter. Grooming would de-clutter town trails, reducing use and erosion and allow for all of us to further enjoy the winter sun higher up on the road.
