Comments: Please allow for the specific Log Chutes downhill mountain bike trails both to rehab on-the-ground trails and to build 3 to 4 new trails utilizing 400 feet of center line of some of the proposed downhill trails. Machine built downhill specific trails would be a great asset to our computer.

Please allow for Category 1 pedal assist eMTBs to be allowed on the existing Log Chutes 1, 2, 3, and WestView mountain bike trails.

Please allow for a connector from CR 203, Falls Creek up to Junction Creek Road to the Colorado Trail as proposed by Durango Trails. This is an on-the-ground old alignment that would create great connectivity for mountain bikers and hikers, as well as a fire line access.

A connector trail from Durango Estates to Log Chutes would be a great addition.

Please allow grooming Junction Creek Road and the Junction Creek campground as proposed by Durango Trails in 2016 for fat biking and cross-country skiing. Please do not allow cars to drive past the gate and park on the road, especially if resources are going to be used to groom the road.
