Comments: I just heard about the proposed trails in Lemon Gluch. I've lived in Bend for almost 30 yrs and love it due to the access to trails and the forest. I spend a lot of time riding in the Oochicos currently, but mostly on my gravel bike since there are not a lot of trails over there right now. Round Mt and Lookout Mt are great trails but also very difficult and beyond the skill sets of many MTBers. From what I have seen about Lemon Gluch, the trails look much more accessible. I've noticed that Prineville is being more and more welcoming to MTBers and I think this will add to that and provide a nice economic boost the Prineville.
