Comments: Dear Slater Turner and the Ochoco National Forest,

I am writing in support of the Lemon Gulch trail network in the Ochoco National Forest. As a mountain biker, living in Bend, I am very excited to see a proposal like this in Central Oregon.

Taking into account other factors such as ecological impacts, I believe alternative 6 represents the best compromise presented, outside of the full 52 mile build.

Mountain bike tourism has been shown time and again to be a valuable addition to local economies. I think it provides a healthy fun way to spend time with family and friends outside.

?Thank you for your consideration.
