Comments: To Whom it may concern:
As a resident of the area surrounding this proposed project, I stand in objection to the start of this project. Many of my family, friends, and neighbors live in this area, farm on this area, and live off this land. Proposing to clear cut this area would absolutely destroy this land. Houses will be lost, farm land destroyed, property lost. My hope is that you see the outright opposition of this proposal as the biggest reason to stop this project.
