Comments: Please do not go through with clear cutting. The easy way is so very rarely the best way, and this course of action is, as we have seen from past examples, a potentially extremely damaging one. Please do not go through with it. Serve the forest, don't destroy it.

"Whether we and our politicians know it or not, Nature is party to all our deals and decisions, and she has more votes, a longer memory, and a sterner sense of justice than we do."

Wendell Berry
