Comments: Dear Jessie Berner,

The township of Lakeview takes it's water from North Gold Creek. The PWS ID is 1090074 and the GPS Site ID No. is EOO10075. I think your project is south of the water source, but I wanted you to be aware of the water source location. This water source supplies 35 cabins. If you have any questions, please feel free to contact me, Carol Granly, Township Board President. Thank you.
