First name: Sam

Last name: Kliger

Organization:

Title:

Comments: To whom it may concern,

We are providing this communication to inform you of our support for this land exchange today as a Big Sky, Montana family and resident for over ten years. We're hoping that you will approve this given all the benefits that public land users in Montana receive. Thank you for having such a collaborative approach in this process which is very much appreciated and we look forward to the approval.

Benedetta, Sam, Michael, Ryan and Charlie Kliger
