Comments: to whom it may concern, This is a much needed project, Prineville is severely lacking good mountain biking trails. Please do not let the old guard, who are not in favor of these trails to cast a bad light on mountain bikers. We (mountain bikers) care about the environment, the animals of the forest, and want to keep the forest healthy!!! We have been doing a Great job of protecting the nature in the forest on our other trails. Phils, Horse Butte, Sisters, etc.

Thank you

W
