

Data Submitted (UTC 11): 12/11/2022 12:32:14 AM

First name: Austin

Last name: Reeves

Organization:

Title:

Comments: We have already given up enough public lands to private organizations. The YC is a organization that does not care for the residents of counties where they take hold. Look what has happened to the surrounding Gallatin County area - privatization of everything going to folks who are not from here or for the wellbwing of the community. Please don't have this go through.
