Comments: As a 60+ year resident of Montana I stand to OPPOSE the East Crazy Land Exchange #63115. I think the general public is getting the short end of the stick on this deal. We are losing: 2 historic trails for 1, great quality low-land for much more steeper rocky terrain, and lots of fishable stream milage to name a few of the negative points. Please go back to the drawing board to find better solutions.
