First name: Sheila Ann

Last name: Shapiro

Organization:

Title:

Comments: I am a 43 year Montana resident. I oppose this landscape for lack of transparency. Please do your due diligence accordingly as this feels like a backroom proposal and does not support our right to Public Lands. I am very concerned that access to Public Lands is being chiseled away and we are an avid outdoors family who depend on these beautiful lands to be protected for access.

Thank you,

Sheila A. Shapiro
