First name: Sebastian
Last name: Johnson
Organization:
Title:
Comments: Hello my name is Sebastian I was born and raised in Montana and am an avid outdoorsman. I am writing to express my opposition to the land swap in the crazy's. I am a whitewater kayaker and sweet grass creek is an absolute gem of a river some of the finest whitewater in the west. It would be a tragedy to the whitewater community of Montana to see access to this drainage limited.
