Comments: Hello! I just moved to Portland from Knoxville, TN where the mountain bike community is strong and the trails are diverse. I'm writing in support of Lemon Gulch. As a new member of the Oregon community and coming from a strong outdoor community in Knoxville, I look forward to seeing the new trails I can explore in this state and the likeminded people I can meet around here. I think Lemon Gulch will not only add a new destination for locals, but it will encourage people from elsewhere to visit.
