Comments: I would like to voice my support for the E. Crazy Inspiration Land Exchange # 63115.

Having spent many years hunting in Montana, the patchwork of land ownership presents challenges for Montanans who just want access to public lands. What I appreciate most about this proposal is the collaboration of numerous and diverse interests coming to an agreement. It appears to me to be a win-win and I thank everyone for their time, trust, and good faith engagement in the process.
