First name: Janet

Last name: Lindow

Organization:

Title:

Comments: I oppose the proposed land exchange for the following reasons:  
fishing:

- The swap abandons disputed Forest access points, which the Forest is currently working to secure.
- It results in the loss of popular trails in return for one new, less accessible trail.
- The public loses miles of stream access.
- The public trades important wildlife habitat.
- Corner crossing could become illegal making PUBLIC land inaccessible.

In opposition,  
Janet Lindow
