Comments: Dear Slater Turner and the Ochoco National Forest,

I would like to voice my support for the Lemon Gulch trail proposal. Our family has lived in the Bend area for 20 years and operate a small hops and alfalfa farm in Eastern Oregon. As such, I am very familiar with the area where the proposed development is located. I often stop nearby when I drive between home and our ranch to go on a run or bike ride. The trail system proposed would fill a much needed gap in the area while minimally impacting the environment. It would allow more people to enjoy the beauty that the Ochoco National Forest possesses.

Thank you for taking the time to read this,
Esme
