Comments: NO!NO!NO! to this proposed land swap. It is clearly an insult to public land acreage and access. Out of State Billionaires don't need any breaks or increased public lands. It is a lopsided swap favoring the rich once again, anyone can see that. Keep your 7.8 acres and we will keep our 52 acres.
What? Does the Yellowstone Club and associates want to build yet another monstrosity so billionaires can pretend they are Montanans and look at the mountains through floor to ceiling windows from their air conditioned 'cabins'. NO!NO!NO! to this proposed land swap!
