Comments: Hello. I live in Gallatin Gateway and my wife and I support many MT open space, river and environmental groups: Wild Montana, Save the Gallatin and others. We have also donated land to Montana Land Reliance. . This proposed swap makes SO much sense for everyone especially those of us looking for access in the Crazies. The checkerboard has been so frustrating and this is our one chance to correct it and ENJOY it !!! Pleas approve the swap. Our children will thank all of us. Gary Kachadurian I
