Comments: I am against the East Crazy Inspiration Divide Land Exchange #63115. As a 4th generation Montanan who is about to retire, I am extremely disappointed that such a lop sided exchange has been proposed, one that will make it more difficult for me to explore the Crazies, and funnel me into trail access that will likely be overcrowded. Please dispose of this exchange and begin this process again, one that is not being influenced by Big Sky interests not remotely connected to the Crazies. Thank you for your consideration of this letter.
