First name: Bret

Last name: Metcalf

Organization:

Title:

Comments: My name is Bret Metcalf. I have lived in Sweet Grass County all of my life. We ranch, and I am an avid hunter. I know that many people have worked hard to achieve a workable solution to the access problem in the Crazy Mountains. I support the compromise that has been reached through the proposed East Crazy Mountain Inspiration Divide Land Exchange. It is time to bring an end to the controversy with a very workable solution, which is this land exchange project.
