Title:

Comments: I demand that you protect the surrounding of Montana as lots of animals habitats will be greatly affected by destorying the land don't destory Lake HOLLAND as so many people and animals enjoy this location. It's truly depressing this is happening as a tourist my husband and I loved traveling to Holland its like a paradise with clear oceans and beautiful big trees we winthessed moose from a distance we loved it. I am demanding that you protect the land.

From,
