Comments: As an avid mountain biker, and lover of the Delores / 4 Corners area, I frequent the trails, cities and area often and love the Boggy Draw trail system. As I will be again heading out there and riding, I am requesting that all changes to the reroute be approved and work expedited prior to the opening of the Boggy logging access.

I am also researching purchasing property or a residence in this area and the biking is critical to my decision.

Thank-you for your assistance w/ this issue.
