Comments: Greetings Supervisor Erickson,

I wanted to take the time to voice my support for the citizen-proposed East Crazy Inspiration Divide Land Exchange #63115.

As a life-long member of the Big Timber community and avid hunter in the east slope of the Crazy Mountains, I believe this land exchange would be extremely beneficial in many aspects for the relations between the USFS, ranchers, landowners, hunters, hikers, and outdoor recreationalists. This would help ease many of the tensions due to unclear access to public land as well as clarity for the landowners and their private property rights.

Please consider the benefits that will help build up the relationships of all involved and advance this proposal.

-Thank you
