Comments: I am opposed to the proposed East Crazy Inspiration Divide Land Exchange. I understand the exchange would curtail public access in The Crazy Mountains while leaving wildlife habitat potentially vulnerable to development. This is not in the best interest for Montanans, who value our wild lands-both for recreation and in appreciation for wild species. I would like to see the ideas contained in the Proposal simply be part of the conversation about Crazy Mountain land access and use and not a "last word." Thank you.
