Comments: Hi. I appreciate the opportunity to provide comments regarding the project. I am deeply grateful to the recreational opportunities that SJ Forests Service and Boggy Draw have provided to many users.

I am requesting that we please have any trail-reroutes completed prior to any closures or logging project. I am a volunteer with SWCCA and am eager to assist with reroutes.

I am requesting that we please complete the town trail with singletrack entirely from Dolores to the existing trail singletrack. This helps ensure the safety of riders which may be an issue if they ride on the road with logging traffic.

Thanks,

John
