First name: Tobias

Last name: Moore

Organization:

Title:

Comments: Don't be short sighted. The south fork of the salmon could be as world renown as the middle fork in time. The wealth in Idaho is in its wilderness and wildlife, not in the raw materials in its ground. Even from a strictly monetary point of view the most profitable way to manage this land is to leave it wild.

Thank you for your time and hopefully your support.

Tobias Moore
