Comments: How could this POSSIBLY be allowed to happen?!? This is one of the most remote, unspoiled areas in this country and you are considering completely destroying it by allowing a gold mine ANYWHERE NEAR this wilderness?!? What is wrong with you people?? PLEASE do not allow this to happen! The stakes are too great! Gold mining ALWAYS destroys the surrounding environment, pollutes the rivers (this one is totally unspoiled) and destroys the ecosystem... every time!

Do not permit this mine to happen... ever!

Thank you, Robert Klang
