Title:

Comments: Please don't allow the Perpetua Resources (formerly Midas Gold) to dig a massive strip mine on the Payette National Forest at the doorstep of the famed Frank Church-River of No Return Wilderness and in the headwaters of the East Fork of the South Fork of the Salmon River in Idaho. Millions of dollars have already been spent by the Nez Perce Tribe and the federal government in trying to clean up the legacy of past mining impacts, so why would you allow another mine to be dug?
