First name: Harriet

Last name: Greene

Organization:

Title:

Comments: Another road, another strip mine, another river, another chunk of wilderness at risk. This time, the Frank Church-River of No Return Wilderness. Will our children, our grandchildren, our great-great-grandchildren have anything left? Wilderness is precious. It must be taken care of. We must take care of it. Can you imagine never being able to backpack into the wilderness? I can't.
