Comments: Please do not degrade one of the last scenic and wild places in Idaho. We are fortunate to live in a state that respects an individuals rights so please do not give away our right to a clean and prosperous future in Idaho for short sided gains, that ultimately benefit the corporation and not individuals. Stick to what makes Idaho great: scenic wild places, individual freedom, and a future that reflects our historic values. Keep Idaho Great.

Invest in the future of Idaho not in a mine who has individual interests at heart.

Do it for us and for the future of Idaho!
