First name: dan

Last name: Wise

Organization:

Title:

Comments: My name is Dan Wise and I am a resident of Coeur d'Alene, Idaho. I am writing to implore the Forest Service to extend the comment period for the Stibnite Gold Project an additional 30 days. This will allow comments to be submitted by myself and others who have not received notice of the comment period.

Thank you for your consideration of this request. I admire the critically important and difficult work of the Forest Service. Thank you!

Dan Wise
