Comments: Hello, my name is Eleanor Knight. I am a 16 year old whitewater kayaker, rafter, hiker, and adventurer. And I love the Salmon river. Every summer I go on rafting trips with my family. I do multi day whitewater kayak trips, and I paddle the glorious rivers. I love the river. I love the clean water, the limited people, the wildlife. I don't know what I would do without the salmon river. Please don't put this mine in. Please. I represent the youth of whitewater, and for our sake, do not do this.

Thank you,
Eleanor Knight
