Title:

Comments: Hello,

We are owners at One Ski Hill Place and will be directly affected by the proposed changes because they will be visible from the common areas. We support chair 5 replacement. However, we object to the public bathroom being so close to our building and support moving the public bathroom away from One Ski Hill by Gold Runner coaster. We also think that the view on the Zip Lines from our One Ski Hill Place needs to be screened by trees.

Thank you.

Best,

James and Tanya Kogan.
