Comments: I support denial of plans to put the Mountain Valley Pipeline through the "Amazon of North America". See links below. The Appalachian Mountain corridor had been determined by scientists at The Nature Conservancy to be incredibly biodiverse and the primary escape route for species fleeing climate change in the eastern half of the United States. Species are on the move. Read more here <https://www.nature.org/en-us/about-us/where-we-work/priority-landscapes/appalachians/stories/red-spruce-forest-restoration/>

"A nation that destroys its soils destroys itself. Forests are the lungs of our land, purifying the air and giving fresh strength to our people." -Franklin D. Roosevelt
